DR. SEABROOK'S Infant Soothing Syrup!

WE HAVE, by purchase of the original recipe, become sole proprietors of this Celebrated Medicine. We ask you to give it a trial, with an assurance that you will in future discard all those nauseous and destructive stuffs, such as Bateman's Drops, Gedfrey's Cordial, Dewee's Mixture, &c., combinations of a past and anti-progressive age, when it was thought that the more disgusting the mixture the better the medicine.

Use in the future only SEABROOK'S, a com-bination quite up with the advancement of the age. Pleasant to take, harmless in its action, efficient and reliable in all cases. Invaluable in the following diseases : Summer Complaint, Irregularities of the Bowels, Restiveness, Teething, &c.

Gives health to the child and rest to the mother. We could furnish any quantity of certificates bearing evidences of its superior qualities, but prefer that our medicine should stand on its own merits, which it will do upon trial.
